Senate-Passed Farm Bill

Knowland Describes Ag Secretary As Hoping For Major Changes

WASHINGTON (A) - Senate Republican Leader Knowland said today Secretary of Agriculture Benson regards the Senate approved farm bill as "unworkable."

The California senator predicted Benson will recommend a presidential veto unless the measure is modified.

Knowland talked to White House newsmen after he and other GOP congressional leaders concluded their regular weekly conference with President Eisenhower. Benson also sat in at the session.

The Senate passed the omnibus farm bill last night 93-2 after loading it with amendments the administration had opposed. Sen. Aiken (R-Vt) said it contains features that would warrant "three or four vetoes." The bill now goes to a Senate-

New Citizens City Cruiser's * Ticket May Be Practical Joke *

A ticket for overparking at a meter, found on a Circleville police cruiser while on official business in Jackson, now appears to have been placed there by someone other than a policeman.

Chief Elmer Merriman found a big yellow ticket on the windshield of the cruiser last week. At the time, he said he could no understand why Jackson police had not extended courtesy by issuing the summons.

A quick phone call and Chief Merriman was told to "forget about it." He did. But the issue has popped up again.

When the ticket was returned to the Jackson police department, it was found to bear another license cruiser. At last report, Jackson police had tracked down the owner of the car on which the ticket had originally been placed.

JACKSON POLICE have promised to let Chief Merriman know the final results. The chief said he would be very interested in hearing the "excuse", if any.

Chief Merriman did allow, how and placed it on the cruiser. He The vote was 4-2. Democratic added, "My faith in police cour-

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Rennel Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonsful twice a day. That's all there is to it.

bulky fat and help regain slendes, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you all there is to it.

If the very first bottle doesn't feel. More alive, youthful appearing show the simple, easy way to lose and active.

Star Grange, fresh from winning the Grange basketball title for this year, dumped DeMolay 60 to 53 Monday night in the Fairgrounds Coliseum.

Pete Hix topped the winners with 19 points; teammate Bill Miller chipped in 11. In all, nine Star players figured in the scor ing, and this ability to have subs keep up the scoring punch is what enabled Star to win.

Pete Martin was high man for DeMolay with 16 points. Pontius had 12 and Timberlake added 11. The losers were able to tally 13 free throws to only four for Star but fell behind on field goals 20 to 28.

O. E. Black is coach of the Sta team, which takes on Circlevil police tonight. Here are the box scores of Monday night's game: * * *
